26

00:04:20.154 --> 00:04:21.925
Good afternoon, ladies, and gentlemen.

27

00:04:23.095 --> 00:04:27.504
I am pleased to welcome you to this thirty seven of your company.

28

00:04:28.555 --> 00:04:40.615
The directors report and the financial statement for the year end. Thirty first, March, two, zero, two zero have been with you for sometime now and you already aware of the results of the company.

29

00:04:41.160 --> 00:04:50.035
The team would date in detail there. Let me now share my view of the output for the current tier.

30

00:04:50.964 --> 00:04:52.495
The current as you all know,

31

00:04:52.495 --> 00:04:56.935
has been a very unusual year where we been hit by this covert pandemic,

32

00:04:58.495 --> 00:04:59.694
the States,

33

00:05:00.029 --> 00:05:06.745

because of the lockdown shut down in the last week of March and resume working around the fifteen th,

34

00:05:06.745 --> 00:05:07.254
of April.

35

00:05:07.680 --> 00:05:11.035
So, effectively, for three weeks, the states were shutdown.

36

00:05:12.084 --> 00:05:16.949
This caused loss of production of these three weeks post.

37

00:05:16.944 --> 00:05:28.199
The real thing on the the leaves and bushes were highly overgrown, and they were actually non manufacturer belief because you would make terrible.

38

00:05:28.644 --> 00:05:37.795
So, we have to skip these links as a result this we suffered a major, not only in April, but should even the bulk of me.

39

00:05:40.139 --> 00:05:48.024
To the end of August we are as a company ninety thousand kilograms down on as compared to last year.

40

00:05:48.660 --> 00:05:57.535
However, this shortfall of crops for the entire industry has actually created a major shortage of in the market.

41

00:05:58.134 --> 00:06:04.285
And as a result, the shortage of prices of deep have risen by about forty percent.

42

00:06:05.485 --> 00:06:20.064
As a result of this, if you will see that the operating profit that was reported for the quarter, then it could be a joke was hundred and ninety three next as compared to a loss of fifty six legs in the corresponding period of the previous.

43

00:06:21.084 --> 00:06:25.165
The outlook for the current year, because of the rising prices appears good.

44

00:06:27.024 --> 00:06:36.774

Before duty, I would like to take this opportunity to express my sincere. Thanks to all of my colleagues on the board for their wise counsel and guidance.

45

00:06:37.555 --> 00:06:45.925

I am waiting for customers of industries, limited for the trust and fit the report, the products and services of your company.

46

00:06:46.824 --> 00:07:01.675

I also convinced my tapes and appreciate the contribution all the employees of Ken CoTY emitted for they conscientious and committed approach in improving the performance of your company and count on

47

00:07:01.675 --> 00:07:04.615

the continued support and cooperation infusion.

48

00:07:05.574 --> 00:07:15.384

Really, I think you all the shareholders for your support and encouragement and look forward to your continued support and to operation.

49

00:07:24.415 --> 00:07:33.264

As the notice convening the AGM has already been circulated to the members I take the notice of the thirty seven to be read.

50

00:07:34.644 --> 00:07:39.805

As no qualifications observations or comments on financial transactions,

51

00:07:40.194 --> 00:07:41.064

omitters,

52

00:07:41.485 --> 00:07:47.274

which are any adverse effect on the functioning of the company is mentioned in the auditors report,

53

00:07:47.845 --> 00:07:51.714

there is no need to read it out as for the provisions of section.

54

00:07:51.714 --> 00:08:03.564

One. Forty five of the companies are two zero one, three no qualification observation comment and remark has been made by the secretary auditor in the report.

55

00:08:05.785 --> 00:08:08.875

We now take up the items on the agenda.

56

00:08:10.194 --> 00:08:12.714

There are three resolutions we need to pass today.

57

00:08:13.375 --> 00:08:16.555

The first resolution is to receipt,

58

00:08:16.824 --> 00:08:20.154

consider and adopt the audited financial statements,

59

00:08:20.399 --> 00:08:27.384

stand alone and consolidated on the company for the financial view in the
much two zero,

60

00:08:27.384 --> 00:08:31.105

two zero together with the report of the board of directors.

61

00:08:31.165 --> 00:08:32.304

And auditors the.

62

00:08:34.615 --> 00:08:43.044

Resolution to to a point to director in place of Mr govan down bunker W
zero two zero,

63

00:08:43.044 --> 00:08:43.345

seven,

64

00:08:43.345 --> 00:08:43.794

three,

65

00:08:43.914 --> 00:08:50.154

eight five who retires by rotation and being eligible offers himself for
the appointment.

66

00:08:51.294 --> 00:08:53.184

Item three to approve.

67

00:08:53.184 --> 00:09:01.254

The remigration payable to the customer is now we've got,

68

00:09:01.705 --> 00:09:02.095

I think,

69

00:09:02.095 --> 00:09:03.774

a couple of registered speakers,

70

00:09:04.110 --> 00:09:07.914

so may request these speakers to speak after,

71

00:09:07.914 --> 00:09:10.284

which I can respond to the queries.

72

00:09:10.284 --> 00:09:14.455

And so can we get the because of please.

73

00:09:22.044 --> 00:09:23.004

Who's the first speaker.

74

00:09:28.764 --> 00:09:32.514

Who, if you can announce the name of the first speaker, then they can come on.

75

00:09:45.625 --> 00:09:52.945

Maybe I was what is heavy.

76

00:09:57.355 --> 00:10:08.695

No, one's got the money requested units omitted seven or higher one syrup. Has it wrong?

77

00:10:08.995 --> 00:10:09.205

So,

78

00:10:09.205 --> 00:10:11.304

for the legal minimum schedule,

79

00:10:13.884 --> 00:10:14.154

so,

80

00:10:15.835 --> 00:10:22.495

after the stop stop first,

81

00:10:23.095 --> 00:10:25.524

give what you have given,

82

00:10:29.664 --> 00:10:31.585

is that the main data?

83

00:10:32.309 --> 00:10:33.205

I didn't make them go in.

84

00:10:33.205 --> 00:10:48.174

I didn't even have to go up there to high school who are familiar with the ID may get a crashed applicant

85

00:10:48.174 --> 00:10:50.725

who has made them without worrying about limiting.

86

00:10:50.725 --> 00:11:03.384

It will give me the speaker number it say, can you confirm? Okay. Or can we?

87

00:11:03.384 --> 00:11:12.294

But I definitely think that makes me think that about the immediate volume meetings of the project within the meeting activity.

88

00:11:13.379 --> 00:11:23.335

When you get, you gotta give probably the big number at the top of the garden.

89

00:11:40.345 --> 00:11:45.955

I wonder they will give it they will drag into the button.

90

00:11:46.044 --> 00:11:47.904

It'll go for a minute or two,

91

00:11:47.904 --> 00:11:55.764

but I'll be good to have good copy with legit the incompatible

92

00:12:08.304 --> 00:12:08.514

when,

93

00:12:08.514 --> 00:12:08.725
you know,

94
00:12:08.725 --> 00:12:11.335
how big of a deal is.

95
00:12:15.235 --> 00:12:29.845
So, I think he's actually going to be devoted to you. They need to get out of the meeting because I've already made them go ahead with the executive medical director.

96
00:12:31.044 --> 00:12:41.904
They will do the job with managing supermarket. Ws will go.

97
00:12:42.240 --> 00:12:42.625
And now,

98
00:12:42.715 --> 00:12:43.884
it,

99
00:12:46.855 --> 00:12:49.164
it did not look like,

100
00:12:51.475 --> 00:12:51.774
hey,

101
00:12:51.774 --> 00:12:52.044
Jason,

102
00:12:52.044 --> 00:12:57.894
but I haven't nothing take a look though.

103
00:12:57.894 --> 00:13:02.304
Yeah, we'll see about the of it. I tend to say it.

104
00:13:02.304 --> 00:13:02.575
But then,

105
00:13:02.575 --> 00:13:04.284
if you care about say,

106

00:13:04.284 --> 00:13:15.264

because you're going to say that we took that particular meeting,

107

00:13:15.264 --> 00:13:16.014

because they will,

108

00:13:16.529 --> 00:13:28.134

they get they take money out of the inputs because the most innovative of them,

109

00:13:29.309 --> 00:13:43.379

we just left the meeting asking headache when they get cancer with properly the jobs as a hey,

110

00:13:43.524 --> 00:13:47.034

we can discuss it next year.

111

00:13:47.399 --> 00:14:01.225

Yeah, the video conferencing control was okay. Okay they said, oh, go go a bit more. Well, I love it.

112

00:14:03.475 --> 00:14:03.654

So.

113

00:14:06.804 --> 00:14:20.784

So, when they do get a little husky, so, James, can you get up give up the relevancy?

114

00:14:21.414 --> 00:14:25.524

I think that we have one more speaker. Can you request him to speak? Please.

115

00:14:29.575 --> 00:14:30.054

Mr.

116

00:14:43.315 --> 00:14:43.615

Can you.

117

00:14:58.075 --> 00:14:58.375

Well.

118

00:15:09.090 --> 00:15:23.995

Mr. you are on mute please. Hello? Yes. Mr. we can hear you. Go ahead and and visit.

119

00:15:24.894 --> 00:15:31.434

No. Yes you are your visible. Okay. Thank you. I'm sorry for this trouble. Good afternoon.

120

00:15:33.625 --> 00:15:36.205

And to everyone myself,

121

00:15:36.205 --> 00:15:36.504

Bobby,

122

00:15:38.519 --> 00:15:49.404

123

00:15:50.245 --> 00:15:52.375

125

00:16:04.195 --> 00:16:15.115

Our company secretary our, and the team of the management was conducting meeting cds1 platform.

126

00:16:17.034 --> 00:16:26.274

We don't say set revenue is consumed by as visible in the balance sheet. The.

127

00:16:28.044 --> 00:16:31.914

It is noted the total revenue let's see during the,

128

00:16:32.424 --> 00:16:33.414

about sixty,

129

00:16:33.414 --> 00:16:35.095

three sort of piece,

130

00:16:35.725 --> 00:16:41.485

increased performance in comparison with the last year,

131

00:16:43.945 --> 00:16:44.154
though.

132

00:16:44.154 --> 00:16:44.904
Of course.

133

00:16:45.865 --> 00:16:48.504
We've got the net loss to during.

134

00:16:52.044 --> 00:16:55.284
So, I'd like to know what is the reason.

135

00:16:57.325 --> 00:17:02.365
For less profitability, in spite of total revenue achievement.

136

00:17:05.724 --> 00:17:16.345
What is the Central with creation policy? What is our return on? Acuity?

137

00:17:19.134 --> 00:17:31.345
That is the plan for tourism a warranty as planned to organize things. We enter the new metro hotels limited.

138

00:17:32.069 --> 00:17:36.234
Do you have kindly Chad your views on this point?

139

00:17:37.615 --> 00:17:41.305
I hope our management we'll maintain.

140

00:17:42.595 --> 00:17:47.664
The infrastructure will overcome reeks.

141

00:17:48.714 --> 00:17:57.384
Walking together will add more value keeping in mind also fair shareholders rewarding policy.

142

00:17:58.434 --> 00:18:12.565
Thank you Mr. chairman to all presence today. My says over to you, so far the proceedings Thank you. Any other speakers.

143

00:18:18.055 --> 00:18:18.384
Mr,

144
00:18:25.494 --> 00:18:25.674
well,

145
00:18:25.674 --> 00:18:34.734
I want to Hello everyone am I clear to all?

146
00:18:35.424 --> 00:18:48.595
Yes, the annual report. Who'd been saying that we at the at all that is very good.

147
00:18:48.684 --> 00:19:02.545
And what report being covered by all articles as the necessary byte represent company law. So, long as they know that the company is under the control of our chairman, we still won't.

148
00:19:03.509 --> 00:19:10.765
Hello? It's rather than wait for anything.

149
00:20:15.744 --> 00:20:20.305
Plus, double the manufacturing you have gotten, and.

150
00:20:21.414 --> 00:20:22.525
Because I've gotten some,

151
00:20:22.525 --> 00:20:22.914
I think,

152
00:20:23.785 --> 00:20:25.259
what Yep,

153
00:20:25.315 --> 00:20:26.335
the DVD,

154
00:20:26.454 --> 00:20:34.345
what does not mean the company has heavy company as a thing and for the time being,

155
00:20:34.585 --> 00:20:37.974
but very different active,

156

00:20:38.424 --> 00:20:44.394

different scenario of India unable to pay any.

157

00:20:45.115 --> 00:20:52.704

I won't be hold that. We see that. You have on profit for depreciation?

158

00:20:52.734 --> 00:21:07.434

Eighty one ninety eight, thirty one, eighty, two volume, eighty two and here on the depreciation come. And the last with that is up the depreciation.

159

00:21:08.005 --> 00:21:20.484

What actually, the concern is it probably making concern as a, and it was also in page fifty nine there are total income is higher than that.

160

00:21:20.545 --> 00:21:21.085

Yeah,

161

00:21:21.924 --> 00:21:24.174

but for the putting expenses,

162

00:21:24.204 --> 00:21:32.634

the profits undermine that speaker to be seen by the seven people that you're on quoted duty investment,

163

00:21:32.634 --> 00:21:40.585

being done by someone from total revenue is higher.

164

00:21:41.490 --> 00:21:46.134

If I compare we are under a long time but.

165

00:21:46.585 --> 00:21:51.865

And I thought this one, no advantage pay seventy five part.

166

00:21:53.365 --> 00:22:05.335

You have already paid eight lack during the last year one of the research and development of your, or the future. And the alternative.

167

00:22:06.984 --> 00:22:07.555

You see it,

168

00:22:08.095 --> 00:22:10.045
these activities of the company,

169

00:22:12.295 --> 00:22:15.055
as we stated that I would add,

170

00:22:15.055 --> 00:22:17.634
we seen that you have been your business,

171

00:22:17.634 --> 00:22:23.815
have been running and your being affected by this,

172

00:22:26.365 --> 00:22:30.085
and ultimately we are lost.

173

00:22:30.894 --> 00:22:45.115
So don't tell me, John do you have what your production? I had read that.
Sure, whereas the expression view or execution is very limited only to.

174

00:22:45.984 --> 00:22:59.994
So I would not longer what was said only two question. I like to put in
your if you, I think, then you come with answer number one that company.

175

00:23:00.509 --> 00:23:07.434
We listed, we can get a stock exchange that is duly noted in page. Forty
one that is due to not have been page.

176

00:23:07.434 --> 00:23:18.924
Forty one is a timeline somehow printing mistakes so long as they know
that your company will not be to target those topics whatsoever.

177

00:23:19.704 --> 00:23:31.224
So, did we seen here on in page forty, seven or page? Twenty one it says
lying it suspense. Thirty past twenty.

178

00:23:31.674 --> 00:23:44.305
That is a twelve thousand to seventy three octane Calvin price. I all
like to know all the discussion and the other one.

179

00:23:48.025 --> 00:23:50.454
Demand from citizen authority,

180

00:23:50.454 --> 00:24:01.795

somehow there is a little demand and what is the of that I do have every done stuff on the company management and I think within the span,

181

00:24:02.154 --> 00:24:02.664

I mean,

182

00:24:02.664 --> 00:24:05.484

the whole that we priced by way of dividend,

183

00:24:05.605 --> 00:24:08.815

and that's why you will want us yes,

184

00:24:08.875 --> 00:24:09.234

thank you.

185

00:24:09.234 --> 00:24:16.105

Sir. For your patience here Thank you. Mr. so I know address the queries that.

186

00:24:19.075 --> 00:24:33.595

We got that Mr. will fall somewhere so I will read his answers and the answers to. Mr. no basically Mr.

187

00:24:33.595 --> 00:24:41.154

sharp was concerned about the incentives. I did the new, but the government can do.

188

00:24:43.319 --> 00:24:51.684

They cannot registration or taken up registration as an embassy as a design to which we got a reduction of interest rate,

189

00:24:51.744 --> 00:25:05.694

which will benefit the company in addition to this report the guaranteed emergency credit line of six curlers from the promode bankers bank under the scheme,

190

00:25:05.964 --> 00:25:06.565

which also,

191

00:25:06.565 --> 00:25:07.375

we have available,

192

00:25:07.710 --> 00:25:08.664

so to that extent,

193

00:25:08.694 --> 00:25:10.285

we are taking advantage of this.

194

00:25:12.444 --> 00:25:14.335

The prices as I've already mentioned,

195

00:25:14.365 --> 00:25:15.954

have risen by forty percent,

196

00:25:16.464 --> 00:25:29.424

and obviously the company this results will benefit because of this rising price for travel and subscription.

197

00:25:29.634 --> 00:25:31.585

He's of international business body.

198

00:25:33.174 --> 00:25:42.115

There was a question raised about the full date if you look at profile and if you look at the accounts for the last few years,

199

00:25:42.450 --> 00:25:51.174

you'll find that we do not have a major problem with this and the quantum bed or doubtful dates is practically zero.

200

00:25:53.335 --> 00:26:02.904

Then there's a question on the unquote in the Sprint investment in and quoted SHARES isn't wholly owned subsidiary and promoter group companies.

201

00:26:03.420 --> 00:26:17.275

The actual cost of investment is two point, zero one and nine point eight kudos represents the value determine is selling and distribution expenses will certainly not produce.

202

00:26:17.519 --> 00:26:29.065

Because at the end of the day you're sitting expenses will go up. Because that is the price of is up brokerage costs will go up, create another selling expenses will not come down.

203

00:26:29.095 --> 00:26:32.605

They will remain the same, depending upon the volume of the product.

204

00:26:33.865 --> 00:26:39.684

Legal and professional fees a Mr shies commented that they seem to be too.

205

00:26:40.434 --> 00:26:53.845

It's only point three, two percent of the turnover of the company paid as in when the neither raised about the age of Mr. the bunker Mr. bunker.

206

00:26:54.444 --> 00:27:00.954

He certainly is verbiage, but basically, as a director, and then independent directory does not need to attend.

207

00:27:01.829 --> 00:27:05.815

To the office of the company, Nick can attend the meetings through video conferencing.

208

00:27:07.404 --> 00:27:15.865

Dividend your twenty twenty one well, I will certainly hope that we would be back on that list and let's keep our fingers crossed.

209

00:27:19.194 --> 00:27:21.474

A low take up is to sit off squeries.

210

00:27:29.994 --> 00:27:37.015

It's just enough, I think I've already covered the fact that bigger we really have not been adversely affected by it.

211

00:27:37.525 --> 00:27:50.845

And I think the short form of caused by covet has given rise to a fairly significant increase of prices, which is helping the company in this situation.

212

00:27:51.299 --> 00:28:01.404

Really the company is not thinking in terms of reducing book visits and Saturdays for the senior employees for the,

213

00:28:02.184 --> 00:28:03.505

for the board of directors,

214

00:28:03.684 --> 00:28:13.164

for anyone future plans for increasing the growth of the company.

215

00:28:13.470 --> 00:28:27.744

The company is into a heavy amount of planting, and as a result of this, every year in the next few years we expected increase in our own. We're also working on planting quality clones.

216

00:28:27.990 --> 00:28:37.914

So the average realization about produce with the increase. So, we would hope to grow what, in terms of value and in terms of in the years to come.

217

00:28:40.255 --> 00:28:52.674

There was a question about when they bought it, but basically most of the materials that we are sourcing for our spare parts, often local, indigenous sources that are practically no imports.

218

00:28:56.305 --> 00:29:06.565

There was a suggestion from you regarding consolidated the physical holding of shareholders. Your suggestion is noted and it's a valuable suggestion. We will look into it. Definitely.

219

00:29:07.464 --> 00:29:16.075

There was a question of the aggregate number of male, female employees. We have eliminated fifty, six, female employees and twelve hundred and fourteen.

220

00:29:19.285 --> 00:29:23.275

Then you've made a remark about our annual report, not being transparent.

221

00:29:23.755 --> 00:29:35.634

I actually take serious objection to such, in no way is the annual report not transparent and whatever is required to hit to as, for the has been done.

222

00:29:36.865 --> 00:29:40.734

There was a question on many text disputed cases.

223

00:29:41.759 --> 00:29:48.535

Is to sort of all these disputes are in various stages of hearing and we are strongly of the view.

224

00:29:48.565 --> 00:29:59.454

The companies familiar with you that nothing is payable on these on this Sprint interested in taking up any settlement offers under these schemes.

225

00:30:03.744 --> 00:30:18.384

Then you mentioned about the mentioning their P. I. N, number of directors, the company is complied with all the requirement and registration numbers have been mentioned in case of non compliance.

226

00:30:18.660 --> 00:30:21.775

The secretarial auditor would have flagged out in his reports.

227

00:30:24.174 --> 00:30:30.505

There will be no contributions to the case fund and not every given any response.

228

00:30:31.859 --> 00:30:32.339

Okay,

229

00:30:32.904 --> 00:30:40.434

so last year the expenses that were incurred for the physically the physical,

230

00:30:41.125 --> 00:30:43.494

including printing and postage of notice,

231

00:30:43.494 --> 00:30:47.664

etc was five legs this year under the virtual platform.

232

00:30:47.664 --> 00:30:48.625

The Sprint one.

233

00:30:50.305 --> 00:31:01.134

How old are attending the meeting? You can see that on your screen. Yeah. Questions that have been put. I just see the answers and respond to them.

234

00:31:06.144 --> 00:31:11.545

Mr. the first, what will be the deep rose bright outlook for the balance part of the year.

235

00:31:12.535 --> 00:31:12.805

Well,

236

00:31:13.404 --> 00:31:19.765
the prices have started to decline and September prices are definitely lower I think,

237
00:31:19.765 --> 00:31:20.845
for the rest of the year,

238
00:31:20.845 --> 00:31:21.295
October,

239
00:31:21.295 --> 00:31:21.714
November,

240
00:31:21.714 --> 00:31:22.434
December,

241
00:31:22.855 --> 00:31:27.654
there's definitely going to be a deterioration and the quality of our produce.

242
00:31:28.255 --> 00:31:40.674
So, with the deterioration of the quality of produce, there is likely to be some reduction of prices. However, end of the year prices will still be subject by my estimate, given parenting.

243
00:31:41.279 --> 00:31:54.055
But my estimate is that even in November, December, the prices will definitely be significantly better than what the one last year that ended the year. So, yes. Prices really come down.

244
00:31:54.234 --> 00:31:56.575
But I still think there will be good place.

245
00:32:03.204 --> 00:32:05.484
So, I think I've taken up most of the queries that.

246
00:32:12.505 --> 00:32:27.295
I just like to announce that the voting results will be announced within forty eight hours from the conclusion of this meeting it will be displayed in the notice board as the registered office of the company and would also be posted on the company's website. W. W. W.

247
00:32:27.295 --> 00:32:39.984

dot respective stock exchanges, and on the website of I'm sorry, there's just one question I missed Mr. asked about the Canada stock exchange this.

248

00:32:40.380 --> 00:32:44.365

So we are listed in both calculus, stock exchange and Bombay stock exchange.

249

00:32:47.039 --> 00:32:58.914

And now this can, I think, all my colleagues, all the directors and all the shareholders who've taken the pain to attend this meeting, can I close the meeting? Please Thank you. Thank you.
